## NEW EMPLOYEE PROCESSING

When you arrive on campus, please visit the Department of Human Resources (King 222) in advance of, or **no later than** your official start date to complete all necessary “new hire” paperwork. Please bring your contract and/or appointment letter as proof of your employment. During this visit, an HR representative will present you with USCIS form I-9, which requires verification of U.S. work authorization via two forms of identification. Forms of **acceptable identification** include: an **unexpired US passport**; or a **valid driver’s license** (or other photo ID issued by a governmental agency), **and** an **original Social Security** card (or original/certified copy of your birth certificate). If you are not a United States citizen (F-1, J-1 Visa), please visit the International Student/Scholar Office (CHHS 202) **before** visiting Human Resources.

To ensure accurate payroll tax and retirement system reporting, the University strongly recommends that each employee present his or her original Social Security card. If possible, please bring your original Social Security card, or official proof of application, when you visit Human Resources for your initial employment processing. If you are unable to locate your card, you may apply for a duplicate card by visiting your local **Social Security Administration Office** ([ssa.gov](http://ssa.gov)). Additionally, please be aware of the University’s direct deposit requirement for all payment types. Please bring valid bank account information or a check marked ‘Void’ when you visit Human Resources.

During your initial employment processing, you will be provided with a packet of documents for your review and completion. Included: USCIS form I-9, W-4 and NC-4 tax forms, Employee Status under Retirement Reemployment Laws certification form, personnel profile information sheet, and patent agreement. All required paperwork may be accessed from [hr.uncc.edu](http://hr.uncc.edu) prior to your arrival. When you have completed all required documentation, you will be issued authorization to obtain an employee identification card and on-campus parking privileges (if so desired). An HR representative will provide directions to the ID and Parking Offices.

## EMPLOYEE BENEFITS

## J. MURREY ATKINS LIBRARY

Teaching and research in today’s complex information environment demand an academic library that pays attention to what faculty members need to do their work. For example, digital collections have significantly increased this past year, offering more new titles, backfiles and full text articles. In addition to the growing collections’ strength, there are several other resources at the faculty’s disposal:

**Librarian Liaisons** – A highly qualified group of Librarians, not only proficient in academic research and information science, but who can also **provide subject specific expertise** for every course offered here. In addition, they provide class web page assistance, course research help, and more. To find the appropriate Librarian Liaison, visit [library.uncc.edu](http://library.uncc.edu), then select the “Subject Librarians” from the Research & Course Help tab on top of the main search box.

**Copyright Assistance** – Atkins Library provides answers to questions about copyright, legal use of library resources and other materials, and scholarly publishing, including publishing through open access journals and opportunities to publish through the Library. Library professionals will respond to questions from faculty, students, and staff on these topics submitted to [scholarcom@uncc.edu](mailto:scholarcom@uncc.edu).

**Atkins Express** – Have the library bring materials to you! Books can be delivered to your office, and articles from the library’s print and microfilm collections can be scanned and sent to your desktop. See the following link to [request a delivery or get more information](#).

**Course Reserves** – Staff members assist faculty in placing course materials on electronic, audio, or traditional print reserves for classes each semester. Staff review reserve materials for copyright compliance and inform faculty members which items may or may not be placed on

reserve. Click the link to learn more about [Faculty Course Materials Reserves](#).

**Library Instruction Classes** – Students will learn current research best practices, as well as an introduction to available resources for your assignments. Typically incorporated into a scheduled class day; however, other arrangements can be made. Contact your Librarian Liaison to learn more and/or to organize a class session.

**Special Collections** – Located on the 10<sup>th</sup> floor of the library’s tower, search through thousands of books, manuscripts, maps, and other items to supplement your curriculum. Classes also welcome. Visit their website at [library.uncc.edu/specialcollections](http://library.uncc.edu/specialcollections)
